To Whom It May Concern,

Over the past seven years I have known Rick Lapi as a high school business education teacher and varsity volleyball coach at Wilson High School. In each instance he has performed at the highest level of proficiency.

Mr. Lapi has been able to establish a wonderful rapport with both students and teachers alike. He has demonstrated excellent classroom management skills and a level of collegiality that many would envy. Mr. Lapi's greatest asset is his ability to relate to students and assessment of their learning. Mr. Lapi displays a very positive attitude about the teaching profession because of his positive experiences.

Mr. Lapi has exhibited several outstanding characteristics that will be an asset to our school district and community. He is willing to put forth the effort and initiative in order to be an effective teacher and coach. Mr. Lapi has taken a keen interest in his students and truly cares about their success. I recommend Mr. Lapi for an administrative position without reservation.

If you have any questions please feel free to contact me at (610) 670-0180 ext. 1221.

Sincerely,

George Fiore
Assistant Principal
